Checkpoint 3 Peer-Review Sprint C 24-11-2021

Veronika worked with Stela on the backend developing the API and constructing the architecture of the project. Nice work!

Nice work with the API

Veronika implemented the API for accessing data in this sprint and it works fine, just keep it up.

Planned progress of back end

Good job on the back-end foundation and API. Keep up the good work!

Good back-end progress

She worked on the API and did a great job.

Checkpoint 2 Peer-review Sprint B 03-11-2021

Great work on the documentation

Doing well the tasks she assigned with

Veronika has done alright this sprint. She worked on the test plan together with Stela. Veronika can often serve as inspiration for the team to roll-up sleeves and get to work.

Good documentation progress

Nice work on the documentation!

Veronika worked a lot on the documentation and came up with a good test plan and social impact report, etc. Maybe she could consider moving on to the implementation in the coming sprints.

She was working on the documentation and is dedicated

Checkpoint 1 **Peer Review Sprint 1** 06-10-2021 

Definitely could do better
